STUDENT LEGAL SERVICES

2010-11 OVERVIEW

Mission: Student Legal Services (“SLS”) supports student retention by improving students’ ability to stay in school via high-quality counseling and assistance with their legal issues. SLS offers the following services to students:

- **Legal Consultations:** Free and confidential 30-minute consultations to currently registered students offering advice and guidance related to their legal questions, rights, and obligations. Areas of law include landlord/tenant law, criminal law, credit issues and collection matters, auto and health insurance claims, accidents and personal injury, consumer fraud, technology and privacy issues, general contract law, small claims actions, traffic and alcohol citations, basic estate planning matters, and family law. Although SLS does not typically represent students, it assists in the preparation and review of letters, legal documents, and court filings. Where appropriate, SLS provides referrals to outside counsel or other third-party resources.

- **Tip Sheets and Forms:** SLS offers a set of tip sheets and template documents on its Web site that relate to the most common areas of legal questions for students. Tip sheets include leases and rental agreements, recovering tenant security deposits, terminating a lease, auto accidents, alcohol and the law, shoplifting citations, how to interact with law enforcement, and a compilation of community legal resources. Forms include a demand letter, sublease agreement, lease assignment, roommate agreement, and a bill of sale.

- **Informational Workshops:** SLS presents educational sessions about legal rights and obligations in various situations, including landlord/tenant law, dealing with law enforcement, filing small claims court actions, preparing for law school, and other topics of interest or concern to students.
